

Tobacco and Vapour Product Use Policy Pacific School of Innovation and Inquiry

September 7, 2016

In accordance with Section 2.2 of the *Tobacco and Vapour Products Control Act*, in effect September 1, 2016, the Learningstorm Education Society prohibits the use of tobacco and vapour products on school property and on all school excursions off-site. No learner, teacher, contractor, volunteer, or parent will use tobacco/e-cigarettes, or hold lighted tobacco/activated e-cigarettes in or on school property or around PSII learners when away from the school.

This policy extends to school property 24 hours a day, 7 days a week, regardless of whether or not school is in session.

The Board believes in providing welcoming, safe and sustainable facilities that enhance the learning and teaching environment and is committed to its fundamental responsibility of enforcing a tobacco- and vapour products-free environment.
